

Tracker dog D6N08 Tiber was deployed to South Vietnam, without a handler, in May 1967 to replace tracker dog Cassius. Consequently Tiber was posted to 7RAR and his handler was LCpl Norm Cameron.

Tiber later served with 1RAR 1968-1969, where he was involved in action at Fire Support Base Coral in May 1968; followed by 5RAR 1969-1970.

Tiber was retired in June 1970 when he was given to Mr and Mrs Gordon and Roslyn Selleck, from the Australian Embassy, Saigon. Tiber remained living in an Australian Embassy house for many years and was still alive at the time of the fall of Saigon in 1975, residing with an Australian businessman.
